Please indicate up to 8 of your skills that you might like to use to fulfill Wildlife Conservation Project volunteer service hours. We cannot guarantee that any specific projects will be available to you, but we will do our best to use your talents! Fill in the bubble for “intermediate” or “expert” skill levels.

Do you have any equipment that might be useful on a Dedicated Hunter Project? Indicate equipment that you own and would be willing to bring/use on a Wildlife Conservation Project?

Many of Wildlife Conservation Projects involve direct, hands-on maintenance or restoration of habitat. However, there are other ways to fulfill your Wildlife Conservation service hours. Please indicate the "other" types of opportunities that you're interested in.

*In accordance with Utah law, every volunteer who works at events for children is required to undergo a criminal background check. DWR will pay the fee for your background check, but we ask in return that you commit to working at least 16 service hours on kids' events. More information and a background check authorization will be sent if you indicate an interest in these opportunities.
